

Vermont Safety & Health Council Board Membership Application

Name

Employer

Job Title

Email Address

Primary phone #

Please discuss why you would like to be a member of the Board.

Please describe your involvement with safety and health, in your company and/or within your community.

Please include any past and present professional affiliations at the local, state or national level. Describe your contributions to the organization(s), including your role(s), or committee(s) you served or led.

If you are selected as a Board member, will you be able to meet the commitments outlined in the Board Membership Guidelines?

Does your employer support your participation on the Board?

Please share any other information about yourself and your experiences and background that you consider relevant to your application for Vermont Safety & Health Council Board Membership.
